

# Woking LA21 Annual General Meeting presents **The world on a plate – diet and climate change**

## **Intensive agriculture now produces most of our food. Convenient and cheap, but how climate-friendly?**

Woking LA21 welcomes Emily Lewis-Brown, of the Food Climate Research Network, who will present the latest thinking on how much our food system contributes to global warming and what we can do about it.

**7.30pm, Wednesday 22 June 2011**

**H.G. Wells Conference and Events Centre, Woking**

**No need to book for this free event.**
